

MARAMA WITH CHARGING BASE

Typology

LED, dimmable, cordless table lamp with dedicated charging base. Simply place the lamp on the base to start charging. Elegant and essential design, perfect for both modern and classical settings. Diffused light directed downwards.

MAR2 models are built to be charged only with their own base, a good deterrent for those who want to take possession of it!

Features

Dimmable version with the possibility of changing the light colour from very warm to natural (1800K-4000K).

Marama is operated by a touch on the top of the diffuser: the touch activates on/off, light intensity and choice of desired colour temperature.

Material

Powder-coated aluminium; frosted polycarbonate screen.

Usage information

Battery: battery life of up to 12 hours at full light output and up to 5 days at the lowest output.

Equipped with large capacity 6600mAh rechargeable lithium battery.

Accessories

MAR2 charges with the dedicated charging base supplied.

Also available a 6-station multiple charging base code ZK-MAR6P (up to 7 multiple bases can be connected in series for a total of 42 lamps charging simultaneously).

Notes

Indoors and outdoors protected from direct rain.

Characteristic data

Power	2 W	Dimmable	Yes	Input	5 Vdc	IP	53
Flux	100 lm	Tc	1800-4000 K	Ra	90	LED Warranty	G3
