## PS230 | Icicle | 2x0,4m | Wh.Wire | 2400K WW+ & Flash CW 8/1

Article number: 007-030

The Pro system Modular 230V is a distinctive system in the professional LED world. The system has countless possibilities when it comes to creating its own lighting design.

Whether it is about decorating a house, restaurant, store, shop window, facade or trees, the system offers a solution for everything!

### Features:

- IP65, for outdoor use
- High-quality material composition, for a long service life and more ease of use
- Matching light colors in the Rope Light and 3D Motifs range
- Max. 100 meters in one single length. Connect more lengths to one power cable? Then work with dividers to create multiple lengths of max. 100 meters each.
