Article number: 018-319

Pro System Modular 36V Low voltage modular lighting system to create safe light designs in public places like community parks, malls and squares.

Already familiar with Tronix Pro System Modular 36V? Then you know about its endless possibilities in light design and applications, not be limited by anything but your own imagination! Define your object, get creative and choose the right lighting components to create any desired light result.

Features

- IP65
- Round (instead of flat) Led
- Safe light designs because of the low voltage 36V
- Advanced material composition for an even longer life span and more ease of use
- Max. 30 meters in one single length. Connect more lengths to one power supply? Then work with dividers to create multiple lengths of max. 30 meters each.

Specifications

Type	Cluster Light	LED distance	1,67 cm	Length	3 meter
Input	36V	Nr. of strings	1	Material	Rubber
Power	10,5 Watt	Connectable	Yes	Carton quantity	10
(Wire) color	Transparent	Maximum to connect	15	Certification mark	CE, RoHS
Color temperature	2400K	End caps	Included	Warranty	2 years
Light color	Warm white +	IP rate	IP65		
LED quantity in total	180	Power Cable	Not included
